

PAYPAL INSTRUCTIONS FOR DOWNLOAD ORDERS

If your order is going to include a download teaching, you **MUST** create an account with us first. If your order does not include a download teaching, this is not necessary.

To create an account:

- Click on LOG IN at the top of home page
- Click on SIGN UP under New Customer Signup
- Enter your information and click Submit
- Place your order

Once you have placed your order, you will need to log back into your account to download the teaching(s). The instructions for how to download are located on the bottom left of the homepage.
